Aware of the fact that contemporary education is of crucial importance for building a strong nation as well as a prosperous community, the founders of Jamia Millia Islamia sounded the clarion call for the people to show their willingness to its acquisition in order to keep abreast of the march of time and be the integral and constructive part of the country's mainstream. Since its establishment, Jamia Millia Islamia has been nurturing minds and building character of its students with sincere attempts at inculcating in them scientific attitude towards life and its issues, earnest love for values and appreciation of others' individuality and uniqueness.

Jamia Millia Islamia, right from its inception, has embraced the idea of co-education and healthy mixing and growth of both genders together. Women have all the opportunities to fulfil their aspirations and cultivate their interest, unhindered by any kind of discriminatory practices. With its belief in global vision, JMI attracts International students and research scholars, facilitating their growth and development on its campus known for its atmosphere conducive to teaching, learning and research activities. JMI has always provided initiative and freedom to its students to grow with compassion, amicability, resilience and adventurous spirit.

Jamia Millia Islamia, a university with nationalist roots, has 12<sup>th</sup> rank in MHRD - NRIF ranking. ## 1. Establishment

Jamia Millia Islamia, a Public Central University; has been established in 1920, originally at Aligarh in United Provinces which in 1925 initially moved to Karol Bagh, Delhi and later built up in Jamia Nagar. In 1988, it became a Central University by an Act of Parliament. Since then it is expanding in different directions achieving new dimensions.

The University is the result of the tireless efforts of its founders, such as Shaikhul Hind Maulana Mahmud Hasan, Maulana Muhammad Ali Jauhar, Hakim Ajmal Khan, Dr. Mukhtar Ahmad Ansari, Jenab Abdul Majeed Khwaja and Dr. Zakir Husain. It symbolizes the unflinching and resolute commitment of these great visionaries in bringing about socio- economic transformation of common masses in general and Muslims in particular through the vehicle of education. The distinct identity of Jamia Millia Islamia has been eloquently explicated by Dr. Zakir Husain Sahib.

Its foundation is to promote patriotism and national integration among Indians, who will be proud to take part in the future progress of India, which will play its part in the comity of nations for peace and development and to prepare the children of masses in general and Muslims in particular to be the masters of the future in different subjects/disciplines of their choice.

The mission of the founding fathers of this great institution should not only serve as a beacon for all the stakeholders, but should also inspire all in making this university one of the premier institutions of higher learning in the world. ## Choice Based Credit System

Jamia Millia Islamia has introduced Choice Based Credit System (CBCS) at both Undergraduate and Postgraduate levels with effect from the session 2015-2016. This system is intended to provide students a wide diversity of subjects from which they can choose what they really like and have aptitude for, apart from the core subject they have chosen. The flexibility inherent in the system will allow students to acquire a rounded personality by choosing subjects across disciplines and mediums. The University would like to encourage interdisciplinary among students in their studies and research. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Course Advisors in all departments may be contacted for advice or any other help related to the CBCS. List of program advisors is available [here](#).

The courses under Choice Based Credit System offered for various programs are classified under the following categories:
